

SAR DOG AGILITY COMPETITION

SUPPLIED BY KYEM

Obstacles and structures for the competition

SUPPLIED BY PARTICIPANT

Dog

HOW YOU WILL BE JUDGED

STRUCTURE #1 A 55 gallon drum with lid, dog is to jump onto lid of drum and remain there for 30 seconds, 25 points

STRUCTURE #2 Dog is to walk on a 12" wide board from drum #1 to drum #2 for a distance of 8 feet and then jump from the drum to the ground, 25 points

STRUCTURE #3 Dog is to walk a distance of 8 feet on a 24" wide sheet of plywood which is suspended by ropes from above and which moves while the dog is on the sheet, 25 points

STRUCTURE #4 Dog is to walk a 16' x 1' "A" frame ramp inclined at approximately 30 degrees, 25 points

The dog is to negotiate the obstacles off leash with the handler accompanying the dog--the handler may not assist the dog physically during the competition

THIS IS A TIMED EVENT--The dog that successfully negotiates all of the obstacles in the shortest time wins the competition

A dog handler may only enter one SAR Dog Agility Competition with one dog--no two handlers may use the same dog in the SAR Dog Agility competition

If the dog fails to complete an obstacle, the dog receives NO points for the event
